Name (please print): _____

My AFC Member/Owner Number is: _____

I am interested in filling a Director's position on the Androscoggin Consumer Cooperative, Inc., (dba Androscoggin Food Co-op) Board of Directors and would like to be considered as a candidate for election this October 2025.

I understand that in addition to regular attendance at monthly Board meetings, I will be joining a "working Board." I will be able to put in up to 10 hours a month on co-op activities to continue growing the co-op's membership and supporting other co-op business needs. I also understand there will be training for new Board members, scheduled conveniently and flexibly so all can participate, and I agree to make time to participate.
